## HAKKIMIZDA

Otomotiv yedek para imalat ve pazarlama hizmeti veren firmamız 1981 yılında kurularak yine aynı tarihte şirketleşmiş Büyük Gedikler Otomotiv San. Tic. Ltd. Şti. olarak faaliyetlerine başlamıştır.

Kuruluşundan sonra bir taraftan otomotiv yedek para imalatını yaparken, diğer taraftan teknik gelişmeleri yakından takip ederek otomotiv yedek para imalatında Beşinci Teker ve Treyler Ekipmanları üretimini artırmıştır.

Tamamını yerli olarak imal ettiğimiz , dünya standartlarında Beşinci Teker ve Treyler Ekipmanlarının yurt içi ve yurt dışında tanıtılmasına ve dağıtımında katkıda bulunmaktadır. Kaliteyi daha çok önem veren , gelişmeleri yakından takip eden bütün kuruluşların firmamız sistemini öğrendiği kanısındayız.

Ar-Ge çalışmalarımız bu yönde devam etmektedir.

## ABOUT US

Büyük Gedikler Otomotiv , established for production of miscellaneous spare parts in 1981, has changed its title as Büyük Gedikler Otomotiv San. Tic. Ltd. Şti. with name change in the same year of its establishment.

It has continued the production of spare parts for automotive, Fifth Wheel and Trailer Equipments as branded with its past production and maintenance experience.

Büyük Gedikler offer product to its customers in Turkey and miscellaneous regions of the World with its production quality, deadline performance and abilities to meet customer demands.

Our company realizes the production of its own produced 5Th Wheel Models and Trailer Parts with its specialist personnel and provides Service, Maintenance service in its own facilities. Our research and development department continues to get the best product we can produce.
